# THE ALBERT BAKER BROTHERLY LOVE FUND

### ***Continuing to Respond to the Unique Needs of Fellow Christian Scientists in these Unprecedented Times***

Dear Friends,

Gratitude. This is what our students are expressing for their ABF Brotherly Love scholarships.

We are pleased to share that because of the generosity of our community, the immediate need was met.

Seventeen students, who lost their job or family support, are being awarded a larger ABF scholarship so they can continue college this fall. The average scholarship award increased by \$2,200.

#### Make a Gift to Support Our Students

Now that summer has arrived, we have begun receiving additional applications for fall term. We are expecting about 80 students have been impacted by recent events and will each need between \$250 and \$4,500 in additional funding.

In order to respond to the needs of these 80 students, we are asking for your help again. *If you are able to contribute*, we will award 100% of your gift as a scholarship to these students so they can continue their education this fall.

Thank you for joining with us, once more, in this continuing expression of brotherly love.

With deep gratitude,

Dr. Joseph M. Ritter, Chief Executive Officer  
The Albert Baker Fund
